 Stand behind the white line if you are in the front of the bus. A sudden stop could propel you forward into the dashboard, window, or stairwell.

 Avoid standing in the stairwell of the rear door, and don't lean on the rear door.

 Allow the bus operator to secure your **chair** if you are in a wheelchair.

 Keep your head and arms inside bus windows.

Signal the bus operator two blocks before

your stop so that there's sufficient time to stop. Hold the handrail when you exit, particularly

in wintry weather when the steps get slippery from snow.

• Watch for cars as you leave the bus. This becomes even more important when the bus operator is unable to pull completely into the bus stop. Make it a point to not cross in front of the bus after you get off.
